

PREMIUM DISCOUNTS & **FREE** DASHCAMS

DASHCAM REIMBURSEMENT PROGRAM

From Eastern Atlantic Insurance Company

HIGHLIGHTS

- ▼ By demonstrating a commitment to safety and taking advantage of this unique promotion, insureds may earn up to a **15 percent premium discount** (subject to underwriting).
- ▼ This is a **risk-free offer**. The insured purchases the dashcams, provides the receipt to Eastern Atlantic and gets reimbursed up to \$150 per dashcam, per truck. The insured may keep the dashcams, even if they do not renew their policy with Eastern Atlantic.
- ▼ Forward-facing dashcams are easy to install, with **no maintenance fees or service charges**. Many dashcam brands are acceptable; the camera must be capable of saving, uploading and sharing video data. Please refer to Eastern Atlantic's website for details.
- ▼ Insureds must abide by the terms of Eastern Atlantic's Dashcam Reimbursement and Use Agreement.

WHY USE A DASHCAM?

It's like having your own witness in the passenger seat. Insured drivers have been exonerated of fault in accidents recorded by their dashcams. Without dashcam video evidence in claims with no witnesses, or conflicting witnesses, the truck driver is often judged to be at fault.

ELIGIBILITY

Eastern Atlantic customers with 1-100 power units that are garaged in AZ, ID, OH and UT
